Control Union Certifications (CU) declares to have inspected the unit(s) and/or products of the above mentioned certificate holder, and have found them in accordance with the standards mentioned above.

This certificate covers the unit(s), and/or product(s) as mentioned in the authenticated annex of this certificate. A full list of product groups covered by the certificate can be found on the PEFC database of registered certificates (www.pefc.org).

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is MTCS® and PEFC™ certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required MTCS® and PEFC™ claim is clearly stated on invoices and shipping documents.

This certificate is in force until further notice, provided that the above-mentioned client continues meeting the conditions as laid down in the client contract with Control Union Certifications. Based on the annual inspections that CU performs, this certificate is updated and kept into force.
